MESSAGE FROM CEO

As we complete 25 years of this journey from one school to over 150 today, we have never looked back. A group of friends and graduates of prominent institutions began this as an informal journey. However during 25 years the trust emerged as a formal institution. Our resources were limited but dream was big. The transforming power of generosity made it possible to accomplish our vision and mission.

Yesterday's seeding is currently one of the biggest NGOs working in Sindh in the field of Education. We bow our heads to Allah SWT, that we see the outcome of our efforts. This journey of 25 Years wouldn't have been possible without constant support from you as a Donor. We are grateful that you believed in our work and supported us through thick and thin. We are likewise appreciative to our Trustees, Management Team and Teachers who are our backbone.

We are what we are because of their dedicated, steady and diligent work. We want to compliment every one of you on our Silver Jubilee. We pray that Allah SWT help us to accomplish more in future and that we keep on serving our best to the community. AMEEN

MESSAGE FROM COO

GCT has come a long way since its birth with the help of our hardworking employees and the immense support of our generous donors. It has been 25 years since we started our journey to educate young minds of underprivileged. Children of today are the future of tomorrow and education is the key to success. Children in various parts of our country are deprived of the basic right to education and especially in SINDH. This is a critical issue and might limit the impact on the standard of living of our future generation. Furthermore, lack of quality education also hinders a country's economic growth and its prosperity.

GCT, with the help of its donors, endeavors to make quality education accessible to the deprived community of SINDH. Our organization is working with true determination to play its role in creating a positive impact on the lives of all children; broadening their future prospects and helping them secure a better standard of living for themselves and their families. This will lead to a better nation overall. It gives me great pleasure to see the fruitful outcomes of our efforts; which would have been impossible without the help of our kind donors. I would also like to recognize the efforts of our determined teachers, who have helped GCT add value to its vision. Together, we can continue to make a change for the better.

Green Crescent Trust (GCT) is a charity based NGO working in Sindh, Pakistan since 1994 for providing Education to the underprivileged children. It was started by a group of friends who wanted to bring positive change in community through education. It's been 25 years to this incredible journey and now we are in our Silver Jubilee year; we would like to ensure that our mission is ongoing and our vision is constant. Today we are one of the leading NGOs of Sindh serving for the noble cause of education. Throughout the journey of 25 years, GCT has continued to serve underprivileged communities by pursuing the mission of education with particular focus on female education.

We have been able to provide quality education through the establishment of GCT Hilal Schools located in remote areas of Sindh. Throughout this journey, GCT has strived to create better opportunities for the deprived children to improve their quality of life.

Over the years, GCT has managed to expand its scope beyond education and successfully established the Orphan Support Program and initiated various water projects in Sindh. Consequently, we require your support to continue fulfilling our responsibility of serving the community.

Beside social impact on deprived communities of Sindh there is an Economic impact as well. During 25 years GCT employed thousands of teachers, head teachers and support staff from the local communities. GCT creates jobs and gives preference to their Alumni.

SHARIAH APPROVAL (FATWA) FOR PAYING ZAKAT AND DONATIONS TO GREEN CRESCENT TRUST (GCT)

Introduction:

GCT (Green Crescent Trust) is one of the largest private, not for profit, NGO in Sindh, Pakistan; established in 1994 by a group of conscientious and passionate citizens.

GCT works exclusively for the benefit of the society for the noble cause of Education in underprivileged areas for inclusion of deprived communities with emphasis on female education.

GCT believes that together we can disseminate education and minimize the number of out-of-school children. Through its journey of 25 years GCT, today, operates over 150 pre-primary, primary, secondary, schools in diverse geographic locations of Sindh.

GCT Hilal Schools follow national curricula with a huge socio economic impact on semi urban and rural areas of Sindh.

GCT, additionally has established over 800 water projects in Thar district which benefit over 240,000 people, to combat famine due to water scarcity.

Method of utilization of Zakat & donations:

The organization's financial needs are being covered by general donations and Zakat that individuals and corporate throughout the world contribute towards. The Procedure is that the principals of GCT Hilal Schools check out the financial condition of children and their parents/Guardians in respect of Zakat eligibility. If they are eligible for Zakat, then principals of GCT Hilal Schools get permission to collect Zakat on their behalf and to spend that directly on their educational needs as per the conditions of Zakat administration. According to these limits GCT uses Zakat and donation funds very carefully.

To ensure that the whole process is Sharia-compliant, both in letter and in spirit, ALHAMD SHARIAH ADVISORY SERVICES (PVT.) LTD has been appointed as an independent Shariah Advisor to review all Zakat-related documents and procedures. We confirm that GREEN CRESCENT TRUST collects and spends Zakat funds considering the rulings and guidance of Shariah Advisor.

Shariah Ruling:

It is confirmed that GREEN CRESCENT TRUST collects and spends Zakat fund & donations in accordance with the instructions of Shariah. It is also confirmed that whosoever will give Zakat to this Organization; their Zakat will be paid as per Shariah point of view.

Allah may grant the management of GREEN CRESCENT TRUST best reward for their services, and may give in their mission more blessings and sincerity. Aameen
